

## DIGITAL SERVICES ACT - ENFORCEMENT PATHWAY

### Jurisdiction Node

Germany - Bayern (DE-BY)

Primary Contact: pp-swn.pp.e2@polizei.bayern.de

DSA Reference Code: DSA-Level3-DE:1122334

Support Channels:

- +49 1623 1122334
- +49 170 3421 449

### Legal Tool for Telegram Moderation Actions

This procedure is recognized under the Digital Services Act (DSA) for cases involving:

- Coordinated disinformation
- Extremist content
- Public manipulation risks
- Digital public safety threats

### Steps to Trigger Action

1. Prepare the report including:

- Full Telegram channel/user ID
- Evidence logs (screenshots, post URLs, timestamps)
- Jurisdictional reason (e.g., Art. 35 DSA - systemic risk)

2. Send a formal takedown request to:

- pp-swn.pp.e2@polizei.bayern.de

3. In the subject, use:

## DIGITAL SERVICES ACT - ENFORCEMENT PATHWAY

- DSA-LEVEL3 REQUEST - URGENT

### 4. Attach:

- Local authority reference (if applicable)
- Personal ID (anonymized or represented by counsel)
- Technical metadata, hashes, or IP logs if available

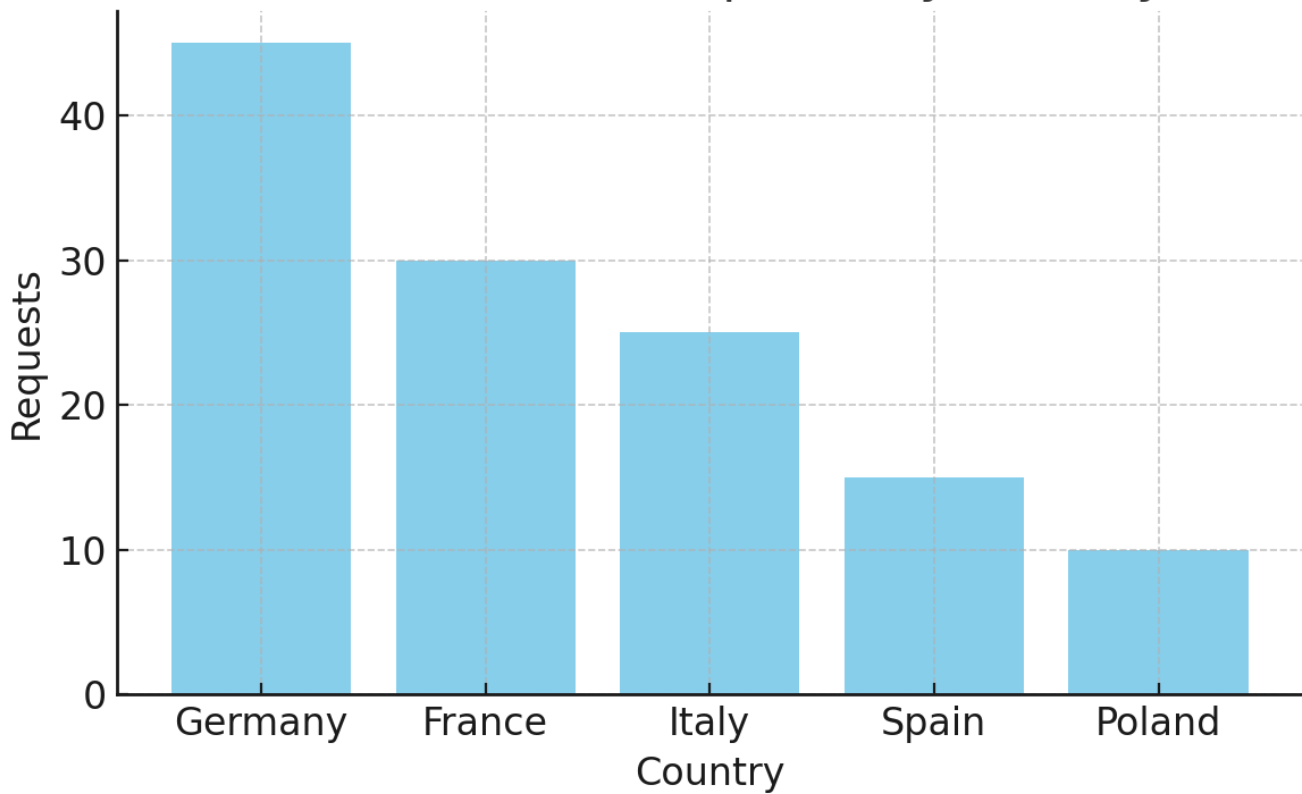

### 5. Response Time:

- Initial confirmation within 48h
- Enforcement decision in under 10 business days (varies)
